

The screenshot displays the LAMA software interface. On the left, a sidebar shows a tree view of assets, with 'Owned' selected. The main window shows a grid view of assets with columns for Fav, Active, Owner, Identifier, Address, ZipCode, Status, and Reservation. The selected asset is 1237-1239 Oretha Castle Haley Blvd. Below the grid is a map showing the location of the asset. On the right, the 'Asset Form' is open, displaying detailed information for the selected asset, including its External ID (41145588), Agency (NORA), Location (1237-1239 Oretha Castle Haley), and various features like Acquisition Date, Districts, and Inventory.

LAMA Tutorial Sheet #2

Customizing the LAMA Grid View

Prepared by the New Orleans Redevelopment Authority Business Analysis Team
March 2018

1. Be sure you have clicked on the asset module
2. From the row of buttons at the top of the grid, click on 'Grid Options' and click on 'Show Column Chooser' (Figure 1)*:

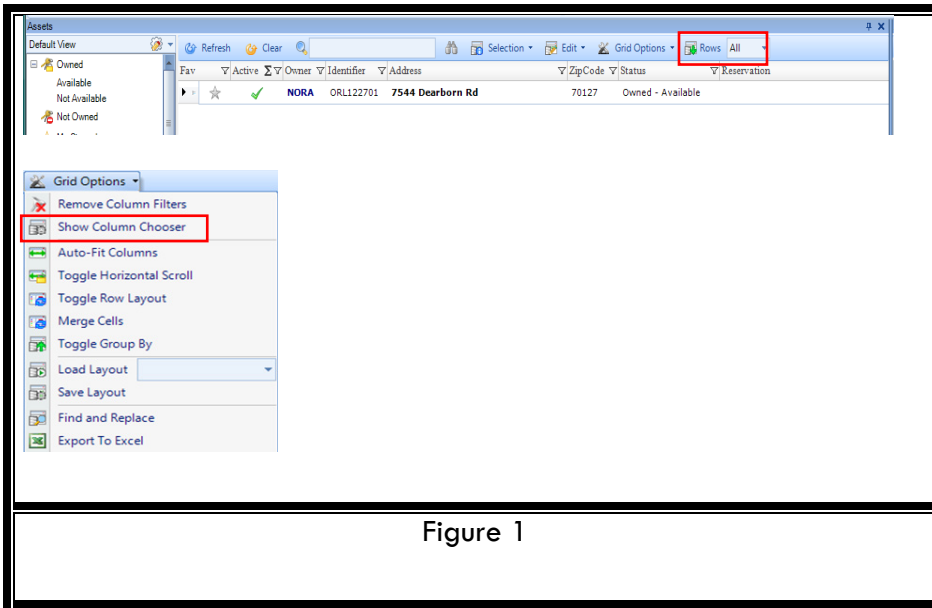

Figure 1

3. In the 'Field Chooser' window, check the boxes next to the following fields for the NORA optimized default settings (Figure 2):

* If the grid does not look like this, click on 'Toggle Row Layout' from the 'Show Column Chooser' menu

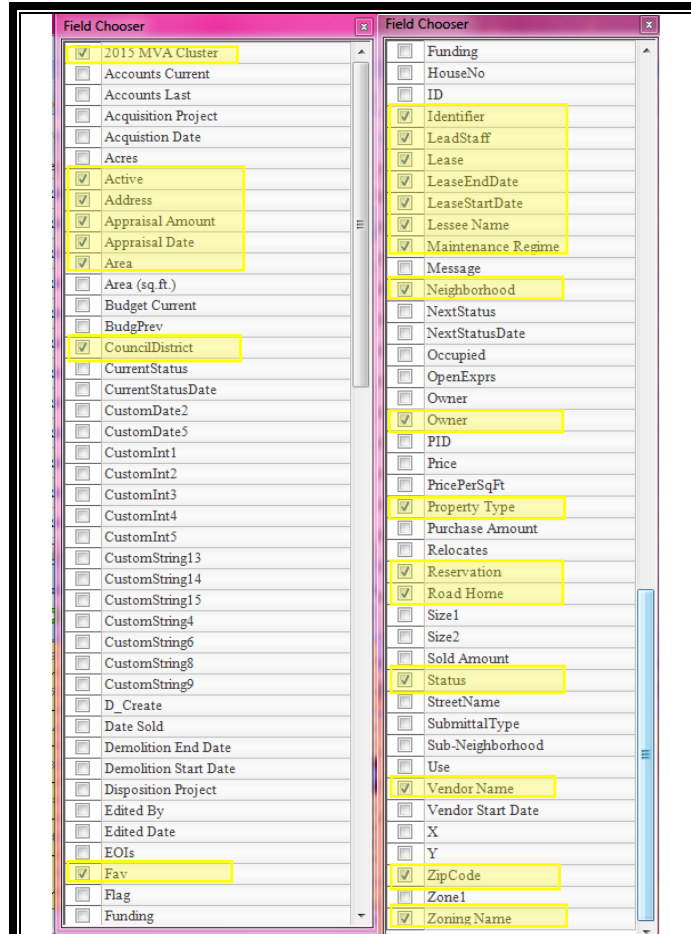

Figure 2

4. To save your selection, click on the  at the top right side of the window
5. The optimal grid layout is below (Figure 3):
